## Memphis Bar-B-Q

*The Golden Pub takes pride in bringing you authentic Southern Barbeque cooked in the Memphis tradition. The finest quality meats are slowly smoked two to ten hours over hot Hickory coals in a huge oven built especially for the Golden Pub. To enhance this barbeque flavor and seal in the juices, each cut of meat is basted with a prize winning, special Bar-B-Q sauce - the sweet, tangy, spicy (but not too hot!) taste of the old South. Similarly, special care has been taken to recreate traditional barbeque accompaniments. We hope that our commitment to quality and authenticity will provide you with an unequalled barbeque experience that up to now could only be found in Memphis.*
